WEATHER

November through March offers ideal conditions for any event at Villa Saan; EOs are advised to consider rainy season conditions and plan accordingly (wet months are from April through November).

EVENT SPACE

With its elegant entrance areas forming a dramatic frame of the majestic sea and sky views, Villa Saan is simply a gorgeous venue for a special event or a celebratory gathering of family and friends. Wide terrace space flows from the entrance to connect with the 19-metre infinity pool, offering plenty of room for a reception, cocktails and poolside dinners.

EVENT FACILITIES

KITCHEN AND BAR

The villa's own kitchen and dining facilities are not to be used for events. EOs are requested to set up their own facilities for catering, dining, bar service and event guest seating.

Villa Saan has an existent bar available for events use.

GUEST WASHROOMS

Saan has one bathroom available for event guests, located next to the dining room. Use of the ensuite bathrooms in the villas' guest bedrooms is prohibited unless prior arrangements for access have been made. It is the responsibility of the EO to ensure the cleanliness of the bathrooms during events.

PARKING

The villa's parking area is to be kept free for guests' arrival and departure, so EOs and suppliers are asked to avoid parking on site. Vehicles are permitted for a one-hour period for loading and unloading but should be off-site at least one hour before the event. Guest parking in the estate during the event may be arranged in advance.

REGULATIONS AND RESTRICTIONS

Indoor living and dining areas should not be used as main event spaces. Interior furnishings should not be moved or removed and no additional infrastructure should be brought into these areas. All wooden floors should be protected with carpets provided by the EO.

Outdoor living room furniture can be removed, except for the wooden table.

Pool platforms are no longer allowed.

Bedrooms are for the use of resident guests only, unless access has been arranged with prior approval. Otherwise, we recommend these to be locked during the course of any given event. Smoking is not permitted inside the house.

Back-up generators are recommended.

Fireworks, floating lanterns, fire shows and other flammable items plus pets/animals are strictly prohibited.

EOs are to establish security procedures before the event, and must provide a list of suppliers that need access to the villa.
