BESPOKE INGREDIENTS

GOAN SAUSAGES

A reflection of the Indo-Portuguese culture and a quintessential part of the Goan heritage, these sausages are made up of boneless pork meat that is diced, salted and marinated in Goan spices.

GOAN POI

The popular Goan poi is a local delicacy. Often, in the mornings you can hear vendors going around on their cycles selling fresh hot pois.

Made from all-purpose flour, wheat and bran, poi is leavened using toddy (local palm liquor) which gives it a distinctive character.
