COOKING CLASS

- No. 39 also offers a “cooking with class” program at US\$ 20/person.
- This price does not include transportation, which the villa can arrange if needed (Approximately Rs.2000 round trip per Tuk Tuk, which accommodates 3 people).
- This is an opportunity to get a closer look at village life and how food is prepared in a typical Sri Lankan village home.
- The program consists of:
 - An excursion to Pilana (13km from the villa), a village with its paddy fields, coconut groves, water buffalo, an ancient Buddhist Temple, and other interesting sights.
 - There, you will be guided by our villa manager Mark who will take you to the local market to shop for spices and fresh produce.
 - You will learn to make an Ayurvedic inspired rice and curry meal at a local home, which you will be able to enjoy afterwards as lunch.
 - you will receive a goody bag with a recipe booklet and spices so that you can recreate these recipes back in your home countries.
